Référendum Mondial 2017

Le handball prépare son Mondial !

La Fédération française de handball a été désignée le 15 décembre 2011 par la Fédération internationale de handball pour organiser le 25^e championnat du Monde masculin en janvier 2017. Plus qu'un événement sportif de portée internationale, la Fédération française de handball souhaite faire de ce mondial un événement national fédérateur d'initiatives éducatives, culturelles, économiques, touristiques, etc.

Ce projet ambitieux vise également à accroître la notoriété du handball français et à améliorer durablement la fréquentation du public pour les compétitions nationales en offrant aux spectateurs, à l'avenir, plus qu'un événement sportif.

Nous souhaitons mener **une étude auprès de représentants de la famille du handball et des acteurs de la vie sportive, politique, économique et sociale**. Cette étude sera réalisée entre la fin du mois d'août et la première quinzaine d'octobre 2012 auprès de la famille du handball.

Votre contribution à l'étude engagée nous serait très précieuse pour proposer au public l'environnement qui vous paraît le plus adapté ou innovant en lien avec les ressources de chacune des régions.

Vous êtes invités à vous rendre sur le site internet de la FFHB, www.ff-handball.org afin de pouvoir répondre au questionnaire qui vous est proposé.
